Points Of Difference

Long Bay College is a co-educational secondary school with spacious grounds, located in a safe, quiet residential suburb near beautiful parks and beaches on Auckland's North Shore. The school roll is 1570 boys and girls aged 13 to 18 years (11% of which are international students from many different countries).

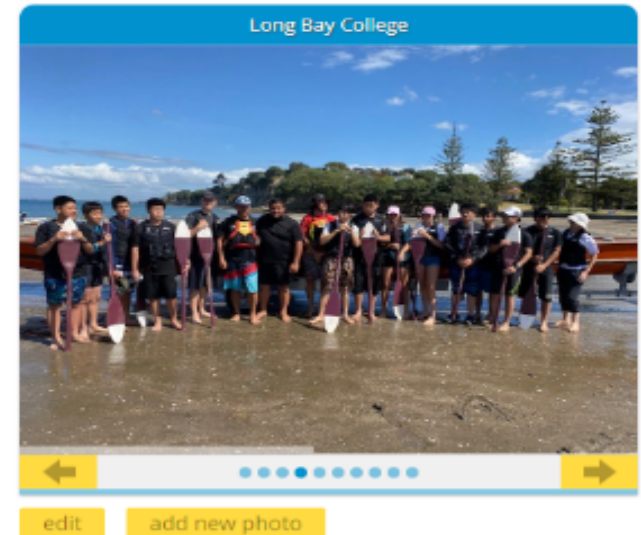

Academic Programme - Students consistently achieve well above national average in NCEA at Levels 1, 2 and 3 and in University Entrance. All of our teachers are highly qualified and committed to providing the best possible modern learning environment and an excellent culture of care. EAP provides cutting-edge, relevant programmes for Internationals to improve their English & study skills. All students can choose from a wide range of subjects.

School life - We encourage every student to get involved in all aspects of school life, including International Summer and Winter Camps, Outdoor Education, International Festival, Athletics Day & our Community Gala.

The Arts - We have a long reputation for excellence in Performing Arts. International students can participate in many Dance, Drama, Music, Visual Arts events.

Sports - The College has a record of regional and national success in individual and team sports. Students can choose from many different sports, from basketball to water polo, rugby to dragonboating. We enjoy fantastic facilities at the purpose-built fitness centre & sports hall as well as Outdoor Education with our Discover Aotearoa Programme.
